**i.e. marquee, tables, display, weights, pegs, TAGGED LEADS**  
**etc.**

**WHAT NOT TO BRING**

PLASTIC unless approved

UNAPPROVED PRODUCTS

UNTAGGED LEADS

All stallholders must remove their rubbish – **do not use the patron bins for your packaging, boxes, food waste.**

## CANCELLATION

If for some reason you have confirmed BUT can't trade, it is very important that you let me know – as soon as you know. Failure to do this will affect your chance to trade in the future. The latest you can cancel without incurring a stall fee is Wednesday before the market

### Market Cancellation

The market is only cancelled when **BOM gives a “SEVERE WEATHER WARNING”** We will use the undercover area if there is rain.

## WHAT TO DO WHEN YOU ARRIVE

When you get there call me on my mobile – I will greet you and show you your spot. If it is busy, you may have to wait your turn. This should only be a few minutes. The market manager gives positions. Do not choose your own spot or move spots. We aim to give regulars the same positions.

## SET UP

All stalls must be set up by 7:30am, and all cars removed.

It is best to be as early as possible. Latecomers may miss out, even if your confirmation has been accepted.

Once shown your stall spot you must unload your equipment THEN park your car at the TAFE carpark across the road. Please do not leave your car at the stall while you set up – this causes vehicle congestion and results in chaos.

## Powered Stalls

Powered Stalls are \$10 extra. All leads must be tagged. If your equipment cause any damage or stop the market from participating you will be held accountable for damage and expenses.

## RENT

Rent is paid either via an invoice or Rent is collected mid-morning.

## PARKING

Please park at the TAFE car park across the road. With over 100 stalls at times (and stallholder cars) it is crucial that you park where directed. If you are asked by our market staff to move your

car or park in a particular place, please do so.

## CONCLUSION

The market is growing in popularity and we have over 200 stallholders on the list. I do my best to keep the booking process and operation as simple as possible, to make things easy for the stallholders and myself.

The market is well known for its friendly atmosphere and happy traders. To maintain this it is vital that you respect other stallholders, the rules and particularly those who work to make the market.

We will not tolerate gossip, abusive behavior, bullying at the market.

The market manager reserves the right to change the layout, cancel or include stalls.

Thank you for joining Growers Green Farmers Market. I hope you trade well and enjoy your Sunday morning with us.
